We’re your IT department. We’re your security team. We’re your compliance unit. Now go and run your business.

IT management. GDPR and data privacy. Cyber security. Compliance and certification…

Every one essential, but also a distraction from your core business activities – and a drain on the resources that underpin them.

Unless, that is, you let us take care of things for you…
Aspley Guise & Woburn Sands Golf Club established in 1914, is located between the villages of Aspley Guise & Woburn Sands on the south side of Milton Keynes on the border between Bedfordshire & Buckinghamshire.

Our mature heathland / parkland course is supported by a modern clubhouse, featuring beautiful curved lines which blend into the natural surroundings.

The bar, lounge and restaurant take full advantage of the views with the full-length wrap around balcony on the first floor, offering spectacular views over the course.

Our Club and its associated facilities is ideal for golf; society, corporate, business events and internal and external functions.
Aspley Guise & Woburn Sands Golf Club established in 1914
Our founder members were Messrs. Tarver, Pettit, Walker, Harris, Needham and Stonbridge.

The original 9 holes were designed by Sandy Herd in 1912 and constructed by Charles Willmott who remained as the Club Professional for 42 years. The Course was opened for play in May 1914.

Four well known professionals were invited to play an exhibition match on the opening day. They were Sandy Herd, Ted Ray, Tom Ball and B. Batley. The lowest score of the day was returned by Tom Ball with a score of 68 for 18 holes.
A mature heathland / parkland course located on naturally undulating terrain which seamlessly blends into the surroundings.

In 1972, additional land was acquired and a further 9 holes added in line with the late Robert Sandow’s design. The full 18 holes were opened for play on 25th May 1974.

Never one to let the grass grow under our feet, the course has continued to evolve and mature, and improvements that are introduced, build on the original core design principles. In early 2000 the Club embarked on a bunker refurbishment programme founded on the design generated by Cameron Sinclair.

The Club is continually looking to better its offering and has embarked on a structured, phased programme of continuous improvements, that enhance and build on the original design concepts. We offer a fair test for golfers of all ages and skill levels, the 18-hole par 71 course affords fine views of the surrounding countryside.
Over the years we have become well known for the level of service that we offer from one job to the next and have established ourselves as the leading garage in Bletchley for all the services that we cover. Our aim is to provide a service that is tailored to our customers needs from start to finish and ensure that all work is completed by a time served mechanic.

To speak to a member of the team to discuss your needs and requirements.

12 Barton Rd, Bletchley, Milton Keynes MK2 3JE
Society / Group / Corporate Golf - Wednesdays & Fridays

Aspley Guise & Woburn Sands Golf Club prides itself on providing a very warm welcome to Societies, Groups, Visitors, Corporate’s, etc...

Our team are in tune with and very much aware of the needs, wants, desires of visiting golfers and we will do our utmost to ensure your day is fun, enjoyable and runs smoothly.

Our Society & Group Golf days are Wednesday and Friday and all packages are inclusive of longest drive and nearest the pin competitions.

Societies are most welcome with a range of packages to suit all occasions and budgets, all tailored to providing a great day out. During the summer months, depending on the vagaries of the English climate, the lounge opens out on to a large patio area overlooking the 1st, 18th & 10th holes.

Aspley Guise & Woburn Sands Golf Club has a very active Junior Section which it is keen to cultivate and develop. The junior section is supported by all other sections in the club particularly the Men’s Section.

Our Juniors enjoy their own Monthly Medal/Stableford competitions and Summer and Winter knockout competitions.

Our Juniors are also encouraged to enter many of the senior competitions once they have appropriate handicaps.

We welcome all standards of player and help develop them as we believe them to be the future of the club. The Juniors also have access to excellent coaching support through our professional Richard Lally who will help with this development.

Richard can provide personal coaching in his Performance Studio using the latest video equipment.

For further information about joining the Junior Section either contact the club office (tel. no.: 01908 583596) or the Junior Organiser Tim Cannon via tim.cannon@tiscali.co.uk.
The Ladies’ Section is a thriving, supportive and friendly group which, as well as loving its golf, involves itself in every aspect of Club life.

Social roll-ups take place on Thursday, Saturday and Sunday mornings.

Ladies’ competitions are played every Tuesday. These are a mixture of singles, team and fun events and include fixtures with, and against, the Willmotts (Seniors).

Between March and November, monthly E.G. Medal and Stableford competitions are held on Tuesdays and on a weekend day. The ladies’ Section also has a number of singles and pairs knockout competitions which take place throughout the year.

Organisation of a Ladies’ Open, Invitation Day, Exchange Day and a Ladies’ Weekend Away are some examples of a very full golfing year.

County and Regional Club Events
There is close involvement with Bedfordshire Ladies’ County Golf Association, with respect to representation on its committee and good participation in County competitions and events.

A.G. & W.S. ladies take part in both the County Shield and Scratch Leagues, playing against other Bedfordshire clubs. From April to October, there are friendly matches for ladies during the week and for business ladies at a weekend, in addition to mixed pairs matches on Sundays.
The Seniors Section is one of the golf club’s constitutional sections. It is known as “The Willmotts” in honour of Charles Willmott who helped to construct the course and served as club professional from 1914-1956. His bust is displayed in the foyer.

Involvement in the Seniors Section’s competitions and events is open to all male club members of age 55 years and over.

Roll Ups take place every Monday and Thursday morning for Casual/Social golf, normally arriving before 08.00.

 Medal and Stableford competitions are held between March and October – all qualifying for handicap adjustment. All these events are played off the yellow tees.

Home and Away matches are played against other prestigious clubs and mixed competitions with, and against, The Ladies. An annual match is played against the Club.

There are many other non-qualifying competitions held throughout the year, including three knock-out competitions – singles and pairs in the summer, pairs in the winter.

A golf mini-break for Willmotts and Ladies is held each year at a hotel of the Captain’s choice.

All events and competitions are available on the club’s web site (Intelligent Golf).

As well as golf, the Seniors Section promotes social events, such as a Ladies Night Dinner & Dance and makes donations to charities.
Apart from regular monthly medal and stableford competitions, there are annual trophies to be competed for and won, for individual and pairs knockout competitions.

Plus, there are a number of weekend roll ups and a major roll up on both a Monday and Thursday called ‘The Blobby Pot’. A great way for new members to become integrated into the club. A social but competitive event, where attendance is only required when you can make it! During the summer there are usually around 60 members playing each day.

There are also roll ups on most other days of the week, so there are always opportunities to get a game!
Hole 1
A short but narrow opening hole, keep your tee shot up the right-hand side of the fairway.

Hole 2
A blind tee shot requires you to aim at the marker post and keep your approach shots to the green up the right-hand side. A deceptively sloping green.

Hole 3
You must be very accurate with your approach shot to the small, well-guarded green.

Hole 4
A smooth swing to produce an accurate tee shot is required. Miss the green and you’re in trouble!

Hole 5
This beautifully sculptured hole favours a drive down the left-hand side to get a good look at the pin.

Hole 6
Don’t let the water put you off! Lay up short to the right of the fairway bunker and avoid the out of bounds on the left with your approach shot to the green.

Hole 7
One of the toughest par 3’s around. A well struck long iron or wood is required to reach the green but avoid the water to the right.

Hole 8
A very testing par 5. Be patient and take an extra club up to the elevated, two tier green.

Hole 9
With out of bounds down the left and a sloping fairway, two very accurate long shots are required to reach the green. You’re playing well if you make par here!

Hole 10
Signature Hole: A much talked about hole in the area. This deceptively deep green means precise clubbing is essential. Hidden contours require you to favour your tee shot to the left-hand side of the green.

Hole 11
A gentle sloping fairway requires a tee shot up the right-hand side. You need to be very accurate into this long and thin green.

Hole 12
Another accurate tee shot is needed, leaving you an approach shot that must be struck well to carry the road.

Hole 13
Precision with a short club is vital. This is another very deceptively tricky green to putt on.

Hole 14
A picturesque par 5. Play a fade off the tee and you’ll be in position ‘A’. A lay up short of the bunkers leaves an extremely testing short approach shot into the narrow green.

Hole 15
Take enough club to carry the water but avoid the out of bounds to the right.

Hole 16
Accuracy off the tee and good club selection is the answer to this great par 4. It is very easy to under club on your approach shot.

Hole 17
Another testing tee shot. The gentle sloping fairway favours a drive up the right-hand side. This green is a narrow target, which basically means precision is a must.

Hole 18
A draw is the best shape to play off the tee. Big Hitters can reach the green in 2. The safe play is to lay up leaving you a wedge into the green.
Signature Hole

hole 10
One of, if not the best, par 3’s in the county. Aspley’s signature 10th hole, viewed from the clubhouse balcony is spectacular. The green, when viewed from either tee, is deceptively long and narrow. Bunkers right and left catch more than their fair share of balls and with out of bounds left and mounding right, golfers walking off with a par, feel like they’ve had a birdie! Beautiful, but lethal!

H W Mason & Sons is an independent, family owned funeral directors which prides itself on its experienced and dedicated team of local staff and its well-appointed premises, which include offices, chapels of rest and beautiful gardens.

All of the premises are fully equipped with temperature controlled facilities (most essential). As an established local business, our aim is to build trust and understanding so that each funeral we arrange runs as smoothly as possible and a proper sense of occasion is achieved at reasonable and affordable costs. H W Mason & Sons serves the whole of Milton Keynes and the surrounding towns and villages.

Mr Mason and his family have experienced a very long association with the club back when it was a 9 hole course and its expansion to 18 holes. He along with past old friends Rob Harris, David Turney, and Doug Lancaster were for many years the first to drive off just after 7am on a Sunday morning to ensure a clear course. His Father Percy Mason and Uncle Frank Mason enjoyed their very long membership both playing and entertaining at the club. We all experienced many happy years at this extremely sociable and friendly Golf Club.
Macaulay Tree Services
